

Connecting Palo Alto

Help Design the Future of Palo Alto's Rail Corridor

Community Roundtable

You are invited to our **Community Roundtable on Trenching & Tunneling**

Trench and Tunnel Discussion

Tuesday, March 6

6:30 p.m. to 8:30 p.m.

Palo Alto Art Center Auditorium

1313 Newell Road

Join us to hear a presentation and participate in a discussion about the rail trenching and tunneling option that will be the topic of the next community meeting on Tuesday, March 6, 2018, from 6:30 p.m. to 8:30 p.m. at the Palo Alto Art Center Auditorium.

Click [here](#) for a link to a white paper on the topic prepared by the City's consultants. It provides important information for the community and City staff to consider to support decision making on grade separation alternatives. The report is simply one source of data and others may have different issues, information or perspectives they would like to see included.

We hope you will attend and bring your questions and feedback. Thank you for remaining involved and engaged in this important issue.

This effort is part of **Connecting Palo Alto**, a community-based process designed to inform decisions affecting both aesthetics and mobility choices for many future generations.

For more information, visit www.cityofpaloalto.org/ConnectingPaloAlto or contact us at (650) 329-2520 or transportation@cityofpaloalto.org
